

## YKK AP Issues “Integrated Report 2023”

**Introducing Value Creation Initiatives Through Sustainability Management,  
Along With the New “Sustainability Data Book”**

YKK AP Inc. (Headquarters: Chiyoda-ku, Tokyo; President: Akira Uozu) has released the “YKK AP Integrated Report 2023” to share information about its value creation initiatives. The company also has released the first version of the “YKK AP Sustainability Data Book 2023”, which is available on the YKK AP corporate website, to summarize financial and non-financial data about its sustainability management.

The Integrated Report showcases YKK AP’s value creation efforts based on its Purpose, “We Build a Better Society Through Architectural Products,” and the Business Policy in its 6th Mid-term Management Plan (FY2021-FY2024), “Providing Social Value through Products and Realizing Manufacturing Reform.” It focuses on the company’s management strategy, financial and non-financial data, efforts to help solve social issues, and other information.

The new Sustainability Data Book contains financial information and summarizes YKK AP’s accomplishments over the past four years (FY2019-FY2022) in the categories of human capital,

social responsibility, and business sustainability. It supplements the “Integrated Report” to provide smoother communication and share the progress of the company’s initiatives.

YKK AP will continue working to create value through its business and proactively disclose information to enhance its communication with customers, business partners, local communities, and all other stakeholders.
